Summit Action Fund

The Summit Action Fund is intended to increase housing supply across the province through creative, flexible approaches and innovation in the housing sector. The program is funded by the Saskatchewan Housing Corporation (SHC).

The Summit Action Fund offers:

- A grant of 30 to 70 per cent of eligible project costs, or to a maximum of \$500,000.

You are eligible for the Summit Action Fund if:

- You are interested in furthering the housing industry in Saskatchewan.
- Your proposal aligns with the list of eligible initiatives provided on the SHC website.

Other important details:

- Eligible project costs include staffing, consultations, materials, building and development fees, land costs, and other costs as agreed to within the funding agreement with SHC.
- All costs must be incurred within two (2) years of the approval date with demonstrated progress towards initiative completion at the end of year one.
- Participants are subject to all reporting requirements as outlined in the funding agreement with SHC.
- This initiative applies to off-reserve housing.
- The 1st intake deadline is September 1, 2011.
- The 2nd intake deadline is January 16, 2012.
- Applicants requesting funding on projects totaling \$100,000 or more are required to submit a proposal based on the requirements set out in the Request for Proposals.
- Applicants requesting funding on projects totaling less than \$100,000 must use the application form.
